## About

Frou Frou skincare is owned and operated by aesthetician Nicole Erickson Cato and has been a unique Austin experience since 2002. While an apprentice under master aesthetician Marisa Hernandez, founder of Sana Skin and CEO of Inventive Organic Therapies, Nicole passionately studied the art and science of European Aesthetics. Mrs. Cato offers customized skincare for adults, teens, and tweens. Frou Frou provides deep pore cleansing facials, skin rejuvenation, oxygenating facials, microdermabrasion and superficial peels, varying from progressive, mid-depth, to deep. Sugar-ing and waxing are also offered at Frou Frou for the face and body, along with Brow detailing and Lash tint.

Nicole's goal is to customize each facial for the needs of your skin. By modifying each facial to your specific skin type we are able to improve and balance the environment of your skin. Going a step beyond services, we educate our clients in proper skin maintenance, homecare, and product knowledge.

Frou Frou carries high quality skincare and cosmetic products. All of the products offered at Frou Frou have been selected based on Nicole's 10+ years of spa and clinical experience; these products include: Rhonda Allison, Skin Ceuticals, Inventive Therapy, Kinerase, Dr. Temt, Knuttek, and Revitalash.
